

## MORI CLASS NEWSLETTER - MARCH 2023

Dear Mori Class parents,

As we are approaching the last month of the school year, I would like to take this opportunity to thank you for the continuous support you have given us. It has been a wonderful year for me being your class teacher and to witness how your child has grown holistically. In this month, we will be revisiting some of the theme crafts and recap those skills and concepts learnt. Moving on, I am delighted to inform you that Mori students will be promoted to Sora class. I would like to express my best wishes and congratulations to the current graduating Sora students, wishing them continuous joy and all the best in their new schools.

Best wishes,

Ms Siti
